MEMORANDUM FOR: Deputy Director of Central Intelligence

FROM : Sayre Stevens
Deputy Director for Intelligence

SUBJECT : Additional Action Items Arising Out of the
1978 Program Review

REFERENCE : Your memo, dated 10 Aug 76, same subject

*Acct 1/1 P
2/11/4 - comp P1.2*

1. This memorandum responds to paragraph 4 of referenced memorandum which requests a quarterly status report on the Directorate's EEO Program.

The Hiring of Minority Citizens. Because the recruitment of Blacks and Hispanics is lagging, we continued to give primary emphasis to the recruitment phase of our program. In the second quarter of FY 1977, DDI recruiting teams, in conjunction with the Office of Personnel, visited ten campuses. Scheduled visits to four more campuses were cancelled because of lack of student interest. Additionally, DDI economists and geographers attended two professional meetings where minority recruitment opportunities were explored.

The DDI Executive Officer (our Minority Employment Coordinator) continues to review all folders of minority applicants and to discuss the promising ones directly with office heads.
